About

I have studied on various platforms including HTML Academy, Udemy, Coursera, Microsoft Learn, freeCodeCamp, and Hexlet. In 2023, I participated in the School 21 Intensives, which is analogous to 42 School, where I improved my teamwork skills and successfully completed tasks within a limited time frame. I have 6 months of commercial experience with HTML, CSS, JavaScript, and React. I am capable of self-learning and developing as a professional. I believe my skills will be useful to your company.
